Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. **SANTA FE COUNTY

**RESOLUTION NO. 2019-\_\_**

---

**A RESOLUTION AUTHORIZING THE COUNTY MANAGER TO  
NEGOTIATE AND EXECUTE ALL AGREEMENTS AND  
RELEVANT DOCUMENTS TO EFFECTUATE THE  
PUBLIC SAFETY RADIO COMMUNICATIONS SYSTEM  
SOLUTIONS PROJECT**

---

**WHEREAS**, in November 2001, Santa Fe County ("County") and the City of Santa Fe (collectively "the Parties") entered into a Joint Powers Agreement for the purpose of defining the terms and conditions of operating, administering, and maintaining a Joint Enhanced 911 Regional Communications Center; and

**WHEREAS**, Project 25 ("P25") is a suite of standards for digital mobile radio communications designed for use by public safety organizations in North America. P25 radios are a direct replacement for analog UHF radios, but P25 radios have the capability to transfer data as well as voice, allowing for a more natural implementation of encryption or messaging. P25 radios are commonly implemented by dispatch organizations, such as police, fire, ambulance and emergency rescue service, using vehicle-mounted radios combined with walkie-talkie handheld use; and

**WHEREAS**, the Parties have agreed to undertake the Public Safety Radio Communications System Solutions Project ("Project"), which includes the P25 and Prime Site components, by participating in cost sharing of the Project infrastructure and/or services with the County serving as fiscal agent for the Project;

**WHEREAS**, the Parties agree that the Project is of mutual interest and benefit to the Parties; and

**WHEREAS**, the Board desires to expedite the Project, and to achieve this purpose, wants to authorize the County Manager to execute any and all agreements and relevant documents necessary to complete the Project.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD as follows:**

1. The County Manager is authorized and directed to execute any and all agreements and relevant documents concerning the Public Safety Radio Communications System Solutions Project.
